WEEKLY PROGRESS REPORT

Student Name	ROCELDI P. DONIEGO
Internship Site	PENRO SAN GABRIEL TUGUEGARAO
Month	MARCH
Week	6
Duties Performed this week:	As a trainee at the Regulation and Permitting Section, the duties I performed this week are the following: • Encoding, scanning, printing, and forwarding documents using the Document and Tracking System (DATS). • Assisting in updating and organizing records for the database project.
New learning experience took place this week:	• Learned the importance of accuracy and organization in handling regulatory documents.
Major accomplishments during this week:	• Successfully managed document processing tasks, ensuring timely submission. • Contributed to improving the database structure by updating and organizing records.
Problems encountered this week:	• Some delays in document processing due to incomplete or incorrect information.
Interventions to solve or overcome the problems encountered:	• Carefully reviewing documents before encoding and forwarding them. • Seeking guidance from supervisors to ensure accuracy in data entry.
Lists of goals for next week: (please site at least 2)	• Improve document review and processing. • Learn more about database management.
